THE CYBERTECH ADVANTAGE

Creating Business Networking Opportunities Across Borders. All at the Forefront of Global Cyber Innovation.

You're in the business of cyber. We live it. So, why not indulge in all the benefits that the industry has to offer? Introducing Cybertech, the cyber industry's foremost B2B networking platform featuring cutting-edge content by top executives, government officials, and leading decision-makers from the world of cyber.

Join us for Cybertech Midwest 2020, along with the State of Indiana, and meet industry experts that are changing the global cyber landscape. Our thought-provoking conference and exhibition sets the stage for influential speakers and panelists that are the brains behind the most innovative and advanced new cyber technologies.

Learn about the threats, solutions, technologies, strategies, and challenges facing the global cyber arena from industry experts across a wide range of different sectors including critical infrastructure, insurance, healthcare, retail, government, and more!

HUNDREDS of unique business opportunities. One Cybertech Midwest conference and exhibition. Don't believe us? Check out the stats from our Cybertech Midwest 2019 event!

>> 64+ insightful speakers

>> 50+ sponsors and partners

>> Participation from over 24 States

>> International delegates from the United Kingdom, Israel, Japan, Portugal, Canada, Romania and South Africa.

At Cybertech, we're in the business of connecting people with one another. We strengthen existing alliances, establish new ones, and form unique opportunities to engage in business across borders. We even offer a chance for startups to showcase their global and regional innovations in our Startup Pavilion!

Cyber. We Live it. Breathe it. Setting the stage for global cyber innovations and solutions.
